

PRIVACY POLICY

Collectively, the terms below are referred to as the "Agreement." PACKET DIGITAL and its affiliates worldwide (collectively "PACKET DIGITAL") are committed to taking reasonable steps necessary to protect your privacy. Once you choose to provide your "personal data" to PACKET DIGITAL (any information by which you can be individually identified), PACKET DIGITAL will endeavor to make sure it is only used in connection with your business relationship with PACKET DIGITAL. However, by submitting personal data to PACKET DIGITAL, you indicate that you consent to PACKET DIGITAL' use of such data as described within the scope of this Privacy Policy. Should you have questions regarding this Privacy Policy, however, feel free to direct these to PACKET DIGITAL at privacy@PACKETDIGITAL.com.

Purpose of Collection

PACKET DIGITAL may in the course of business collect personal data that is voluntarily provided by you at our web site. When you provide personal data to PACKET DIGITAL, PACKET DIGITAL will usually inform you of the purposes for which it is being collected. The potential uses include, among others, providing requested information or educational materials, providing PACKET DIGITAL services via online access, or training or educational activities. Our policy is not to share personal data with unrelated companies, except as provided for in this Agreement or as described at the time of collection or as necessary in connection with internal information processing activities. We recognize that your data is confidential and we will take all reasonable measures to protect your data while it is in our possession.

Collection of Personal Data by PACKET DIGITAL

When you submit your personal data at this web site in response to a registration form or while accessing applications located at this web site, the data controller/administrator collecting the personal data for purposes described is PACKET DIGITAL, a North Dakota, USA company. PACKET DIGITAL normally only requests limited business-related personal data, such as name, title, company address, e-mail address, and telephone and fax numbers, and other information necessary to respond to your request. PACKET DIGITAL disclaims any legal duty to verify the accuracy of any personal data that you provide to PACKET DIGITAL.

Typically PACKET DIGITAL will ask for you to submit personal data at the following times:

- Registration to gain access to certain areas of the site or for RFID Academy;
- When we have to respond to your request for further information;
- When we will need to distribute requested reference materials, products or services; and
- Obtaining resumes submitted by you in connection with seeking employment; and

It is PACKET DIGITAL' policy to collect personal data only when its collection is necessary. In any instance where non-mandatory information is sought, you will be notified of this at the point of collection. Collection of information. PACKET DIGITAL's web site is not structured to attract children. Accordingly, we do not intend to collect personal information from anyone we know to be under 13 years of age.

Collection of Personal Data by PACKET DIGITAL Affiliates

When you link to the web site of an PACKET DIGITAL affiliated, or an PACKET DIGITAL sister company (or its subsidiary), referred to below as "PACKET DIGITAL Affiliates", and you are asked to submit personal data, the data controller/administrator collecting the data for that web site or application shall be the applicable PACKET DIGITAL Affiliate as described in any supplemental Privacy Policy information provided. In such instances, you may be asked to review to the appropriate supplemental Privacy Policy information and, if applicable, asked to complete and submit necessary consent forms to assure PACKET DIGITAL' and each PACKET DIGITAL Affiliate's compliance with the privacy laws, governing the collection and use of personal data in your country of residence.

Consent To Collection And Use

By voluntarily accessing the applications, services or information provided to you by PACKET DIGITAL and any PACKET DIGITAL Affiliate on their web sites you acknowledge that such access is requested by you to facilitate our mutually beneficial business purposes. PACKET DIGITAL and each PACKET DIGITAL Affiliate therefore reserves the right to deny access to such services or
